

Tell us about your restaurant.

Type into the fields or print and complete by hand. Short answers are welcome.

Your name

Role / title

Email address

Phone number

Restaurant / business name

Location / market

Website / social account

Stage: idea, planning, opening, operating or changing direction

Concept, service style and target guests

Your restaurant experience and current team structure

What would you like to improve?

Estimates are fine. Skip any item that is not relevant or that you prefer to discuss.

Main concerns and what you have already tried

Desired outcome: what would progress look like in the next 90 days?

Optional snapshot: sales range, team size, seats and operating days

Budget / funding status and resources available for improvements

Timing, key deadlines and who will make decisions

NEXT STEP

Save a completed copy. Use the website contact form to arrange how to share it with Frank.
